

Mission and Vision Combined with Core Values

Staff Supporting Our Ministries

All ministry teams operate under the overall umbrella of the church, consisting of our mission, vision, and core values. There is no “hierarchy” of importance among the teams, and no direct, 1-to-1 relationship between ministry teams and the Leadership team. Ministry teams will be evaluated by the Leadership Team for effectiveness with respect to fulfilling the mission, vision, and core values of the church. Ministry staff will serve to equip, train, and support ministry teams as they seek to fulfill their mission.
