

First Covenant Church Worship Guidelines

- Please park in the parking lot, walk around the building, and enter through the 89th street doors.
- Please always wear a mask while in the building, required for those ages 5 and above per city of Omaha.
- Use hand sanitizer upon entering the building.
- You may only be in the sanctuary or narthex.
- If you need to use the restroom:
 - If able, go down the southeast stairway off the narthex to the restrooms in the back of the fellowship hall.
 - A portable toilet is located outside directly to the south of the narthex.
- Children can attend at their parent's discretion, but they must abide by all these guidelines.
 - The Wiggle Room is open for parent's and their little ones who need to move during the service. The service can be viewed on a T.V. in this room and a parent must stay with their child.
- There is no age restriction, but we ask that everyone be wise in discerning your attendance. If anyone is not feeling well, please stay home.
- After the service is over, please remain in your seat until you are dismissed, then move immediately outside.
- We will continue to stream the service live on our website and on Facebook if you are unable to join us in the sanctuary. You also have the option of calling 888-959-4561 to listen to the service.
- We cannot guarantee everyone will be safe even following these guidelines. Thank you for your patience as we discern the best way to move forward as a church.
