

Lead Team Town Hall Meeting

Join us for an update from the Lead Team on Sunday, January 21st following the worship service.

Blood Pressure Screenings

Stop in the Lower Commons this Sunday after worship to get your blood pressure checked. We are looking for more volunteers to help with blood pressure screening for 2024. If you are an RN, LPN, NP or MD we can use your help. We do them the second Sunday of every month except for December. You would only have to help 3- 4 times a year, depending on how many volunteers help out. This is an important ministry we provide to the congregation. Contact [Linda Lenser](#) if you can assist with this. Thank you! The Love FCC Team

Game Night & Chili Cook-Off

Due to the inclement weather this event has been postponed. The new date will be announced soon.

Foundational Team Dinner & Meeting

On Tuesday, January 16th the Foundational Team leaders will meet for dinner and a meeting at 6:00 PM.

Thank You

The FCC Care Team would like to thank the volunteers that delivered Christmas gifts to our friends at home. We are so appreciative of the Sisters of the Skein who provided the lap blankets for our gift bags.

We would also like to thank the volunteers that provided rides to FCC's Service of Music & the Sharing the Joy Lunch in December. These gifts of service have been a blessing to many!

Meet Rev. Sharon Ketcham

The new sermon series, God's Gathered People, shares ideas from Sharon Ketcham's book Reciprocal Church. "Sharon Galgay Ketcham is professor of theology and Christian ministries at Gordon College in Massachusetts. She earned her Ph.D. in theology and education from Boston College. Sharon's two decades of experience in ministry include serving the local church, researching, writing, teaching, and mentoring. As a practical theologian, she is a scholar for the Church and invites people to reflect theologically on lived Christian faith. She is the author of Reciprocal Church: Becoming a community where faith flourishes beyond high school in which she proposes a new vision for a person's relationship with the church and the accompanying values and practices that allow faith to flourish for persons and communities."¹ Thank you Pastor Coby for introducing us to Rev. Ketcham's work.
